If you would like PINGS to take over an existing FPG handicap, you will also need to complete the **FPG transfer form** which you can download from our website <http://www.pings.pt/membership>

If you do not have an existing Handicap, you will play at least one round with somebody who is registered with the FPG so that they can verify your score which is submitted to the FPG. We can arrange for you to play with a member of the PINGS Committee for this purpose if you wish.

When you join the FPG for the first time, you will need to register on their website <http://my.fpg.pt/>

**Guests playing in PINGS Tournaments:** Non-Pings Members are welcome to play ONCE as a guest in Pings Tournaments. Guests are not eligible for Prizes at the Tournaments, other than nearest the pin.

**Visitor Tournament Pass:** To accommodate the situation where somebody is only visiting and would like to participate in PINGS Tournaments, we offer a Visitor Tournament Pass for €40 which will commence the day of issue and expire after 3 months. With this, you are welcome to participate in any of our Tournaments during the period. We do not offer FPG registration as part of this as it is only aimed at Visitors. Visitors are not eligible for Prizes at Tournaments other than nearest the pin.

As per PINGS Tournament Rules, the maximum handicap for Men is 28 and for Women 36.  
The Committee reserves the right to adjust playing handicaps if they deem such action is warranted.
